This activity provides for ensuring physical capability and skills to operate a motor vehicle. There are 4.4 million licensed drivers of cars, trucks, and motorcycles in Washington. The Department of Licensing (DOL) ensures that drivers have the physical capability and skills to operate a motor vehicle safely. To obtain and keep their driving privilege, drivers are required to pass minimum knowledge and skills tests and to meet minimum physical and visual standards. Additionally, DOL conducts special examinations and re-examinations for persons who fail to meet requirements for full driving privileges, and focuses on meeting citizens' expectations of accessing easy-to-use, timely, and responsive services.

Complying with Homeland Security directives to mitigate the risk to public health and safety, this activity administers the licensing requirements of 192,000 commercial vehicle drivers operating trucks and trailers, tankers, commercial and school buses, and 44,000 vehicle operators who transport hazardous materials.

In support of public health emergency response readiness, this activity registers citizens for the Organ Donor program. In partnership with the Secretary of State, this activity also collects 85,000 voter registrations.

A012 Firearms Registration and Licensing

Law enforcement agencies are required to complete background checks and either approve or deny various firearms licenses. As the clearinghouse for firearms records, the DOL Firearms program provides law enforcement with the necessary information on firearms licenses to ensure that only those individuals who may lawfully possess a firearm can obtain licenses and purchase handguns. The program is also used to investigate criminal activity and to arrest and prosecute those individuals who violate state law using a firearm. Annually, DOL processes over 65,000 concealed pistol licenses, 50,000 handgun transfers, approximately 200 alien firearm licenses, and 600 firearm dealer licenses. In addition, DOL processes over 35,000 court conviction notices each year where an individual's firearm possession rights have been removed, and verifies concealed pistol license and firearm possession with law enforcement. DOL provides firearm dealers with information on procedures for transferring handgun ownership. By providing forms to document and complete the actual transfer, the Department also acts as a resource to law enforcement by providing direction and training on the firearm laws and proper licensing procedures. Statutory authority: RCW 9.41.

The Firearms Program measures its success by: processing all concealed pistol, alien firearm and firearm dealer licenses within three business days after receipt of the document; processing court conviction notices within three to five business days after the receipt of a document; completing all certifications (verification of the accuracy of the information contained in the firearms database) within one business day; citizens receive their license or handgun within the time frame required, supporting their constitutional right to bear arms. Law enforcement is able to ensure that only those individuals who can lawfully possess a firearm receive licenses, contributing to public and officer safety. The Department trains over 300 law enforcement record specialists and law enforcement officers statewide each year on how to conduct criminal history background checks on license applicants and procedures to properly complete license documents. Over \$900,000 is collected each fiscal year that is deposited into the General Fund-State.

A014 Centralization of License Requirements For Businesses

Appropriation Period: 2005-07 Activity Version: 2E - Agency recast for 06 supplemental

The Master License Service program (MLS) simplifies the licensing process for businesses by collecting license application information for ten state agencies and four cities on a single form. The data and fees collected are then distributed to the appropriate agencies for licensing approval. Each year, MLS processes over 100,000 business license and registration applications on behalf of licensing and regulatory agencies. MLS collects and distributes close to \$30 million each year in licensing fees to our MLS partner agencies. MLS provides a single point of contact for information on all state licensing and regulatory requirements, as well as some local and federal information. This increases licensing compliance and revenue collections for all state agencies. MLS also processes the renewals for many state regulatory licenses and corporate and limited liability company licenses. MLS, in collaboration with the Secretary of State, provides a simple and quick registration renewal process for corporations and trade names. Statutory authority: RCW 19.02, and RCW 19.80.

	FY 2006	FY 2007	Biennial Total
FTE's	60.0	57.7	58.9
GFS	\$64,000	\$95,000	\$159,000

Total	\$5,464,000	\$5,351,000	\$10,815,000

Statewide Result Area: Improve the economic vitality of businesses and individuals

Statewide Strategy: Regulate the economy to ensure fairness, security and efficiency

Expected Results

The MLS Program measures its success by responding to 8,000 phone calls and 1,000 e-mails each month, resulting in the mailing of an average of 1,500 licensing application packets. It creates statewide efficiency and cost savings for agencies whose licenses are on MLS by avoiding duplicative data entry, processing of funds and renewals, and printing/mailing expenses. MLS provides business owners with multiple regulatory licenses to handle only one license renewal each year. It collects and maintains \$4 million in revenue annually for administrative support of MLS.

A016 Administration of Fuel Tax Collection and Motor Carrier Services

Appropriation Period: 2005-07 Activity Version: 2E - Agency recast for 06 supplemental

This activity administers state motor vehicle fuel, special fuel, and aircraft fuel tax collection programs for the licensing fuel suppliers, exporters, importers, blenders, and distributors. This activity processes efficient fuel tax returns and associated payments; provides taxpayer education and training; and conducts audit and compliance investigations that reduce fuel tax evasion. It collects motor vehicle and special fuel taxes at the terminal rack and administers a dyed special fuel program for fuel used off-highway that is not subject to the state tax. DOL partners with tribal governments, providing revenue to the tribes through fuel tax refunds. The activity receives federal funds to implement new cost-saving programs, including the Commercial Vehicle Information System and Network (CVISN) program and the Performance Registration Information Systems Management (PRISM) program. CVISN benefits DOL, the Washington State Patrol (WSP), the Department of Transportation (DOT), and the interstate and intrastate trucking industry by allowing trucking companies to utilize electronic transponders to transmit information on their trucks without stopping at ports of entry and weigh stations. PRISM allows DOL and DOT to ensure that interstate trucks operating in Washington State meet current safety standards which translates into fewer highway accidents, traffic fatalities, and unplanned repairs to the state's transportation system. This activity also enables Washington-based interstate carriers to apply for and receive their international registration plan (IRP) operating credentials and file their international fuel tax agreement (IFTA) fuel tax returns via the Internet. Statutory Authority: RCW 46.32, RCW 46.85, RCW 46.87, RCW 82.12, RCW 82.36, RCW 82.38, RCW 82.41, RCW 82.42, RCW 82.80.

Enforcement includes revoking or suspending a license, restricting or monitoring the licensee's practice, or requiring completion of a remedial education program. DOL conducts approximately 6,150 audits or inspections each year to ensure compliance with regulations. Its online registry of licensed professionals alerts consumers to licensees who have been subject to disciplinary actions for unprofessional conduct. The 27 regulated professions include: appraisers, architects, auctioneers, bail bond agents, on-site wastewater inspectors and designers, cemeteries, collection agencies, commercial telephone solicitors, cosmetology, court reporters, employment agencies, engineers, funeral homes, geologists, land surveyors, landscape architects, limousine carriers, notaries, camping resorts, private investigators, professional athletics, real estate, security guards, sellers of travel, timeshare companies, vehicles for hire (taxi), and whitewater river outfitters.

One hundred percent of real estate brokers, cosmetology salons, cosmetology schools, funeral homes, and cemeteries are audited or inspected over established one, two, or three-year cycles to ensure compliance with regulations. Boxing, martial arts, and other professional athletic events are monitored to ensure the safety of participants and the viewing public.

A018 Uniform Commercial Code Program

In accordance with RCW 62A.9A, the Uniform Commercial Code (UCC) program maintains the central repository of liens on personal property of residents and businesses in Washington and conducts certified searches of its records for the public. The UCC program's central repository is a key part of the larger Uniform Commercial Code system and laws. By filing a financing statement with the UCC program, the secured party (creditor) establishes its priority against the collateral, in case of default by the debtor.
